MULTIPLIER EVENT SPAIN

ATHLETICS COMPETITION

SEDUCA

SEX EDUCATION AS THE BEST WEAPON
AGAINST GENDER VIOLENCE

CONTEXT

We held an athletics competition in which 4 teams from the city participated and in which we shared part of the materials of our project with the boys and girls who participated in the competition and with their coaches, we shared the training material that we made available to them. , while we explain the results of our research process.

OBJECTIVES

- 1-Get the athletes of our club to share their experience in the project with other clubs and fellow athletes.
- 2-Give visibility to our products, through an informal sporting event and get them to go viral through their social networks.
- 3-Explain to coaches and parents what the objective of our project was and make available to them all the training potential of our modules and our digital tools.
